

Mr. Kai Shen,

My name is Kevin Lei and I am glad to apply for Google's Software Engineering Internship for Summer 2025. I am currently a rising junior at Texas A&M University pursuing a Bachelor of Science in Computer Science. Having maintained a 4.0 GPA throughout my coursework, such as data structures, analysis of algorithms, computer organization, and machine learning, I am confident in my theoretical background needed for a role in software engineering.

Thank you for your time and consideration. I truly believe that my passion for technology and my dedication to learning will make me a valuable addition to Google. I look forward to the opportunity to discuss my application in further detail, and I am available at your convenience.

Sincerely,

*Kevin Lei*
