MATH300 WA5 Part 2:   Editorial Work Evaluation Form

Fill in the following (one per peer review) and upload as a single file to **Canvas** under "Writing Assignment 5 Part 2". (Note that WA5 Part 1 consisted of the peer reviews.)

Your name: Kevin Lei

Name of peer reviewer: Vedannt Patil

Please evaluate the editorial work of your peers by answering the following questions.

• Rate the editor feedback from 1 to 5 (5 being the best):   **1   2   3   4   5**
   Comments on your rating:

   Gave clear and concise feedback, also gave suggestions for what he would do instead and was very helpful

• Did the editor understand the main point of your essay? **Yes** / **Somewhat** / **No**
   Comments:

   Clearly understood the topic of the essay, and was able to critique my writing well

• Comment on how your editor helped you improve your paper.

   Helped me explain certain parts more clearly that I made kind of vague beforehand, also pointed out a spelling error.
